Etail Systems Tip Sheet

Objective: To get the URL of a promotion.

The following tells you how to achieve this;-

You may need to get a link of a promotion URL for various reasons – to link to it before it's gone live to prepare a newsletter, for example.

Follow these steps below to get your URL:

1. Take your URL, then add 'index' to it (which is what all promotions start with) - http://www.etaildemo.co.uk/index/

2. Then add the URL description of the promotion (if it's more than one word in COMS, separate them with dashes) - http://www.etaildemo.co.uk/index/promotion-example

URL description:	Promotion Example	*

3. Then put an underscore, & the Number of the promotion (which can be found in the promotion list under the 'number' heading. http://www.etaildemo.co.uk/index/promotion-example_74

	Your Reference	URL Description	Status	Number	Date created	Edit
			Any			Search
1	About Us	About Us	Live	72	28/12/12 18:17	
2	Checkout offers	Checkout offers	Live	36	27/02/11 16:42	
3	Googlefonts Test	Googlefonts Test	Live	56	07/02/12 08:57

Troubleshooting

- It's much easier to get the URL of a promotion than it is an article. If you're needing a URL of an article, put it in a promotion & you can view it that way.
